

2003 SCHOLARSHIP AWARDS

The Executive Council of UPE is pleased to announce the recipients of the 2003 UPE scholarship awards. Applications were received from active members in June 2003. Applicants were evaluated on several areas including their academic record, leadership and participation in computer science activities, adviser recommendation, completeness of their application, and contributions to their respective UPE chapter.

The 2003 scholarship awards included two categories, namely: Ten Microsoft Awards (\$1,000 each) and two UPE Scholarship Awards (\$750 each). Microsoft provides an annual contribution of \$10,000 to the UPE Scholarship fund to cover the Microsoft Awards. The UPE awards come from the UPE general fund.

UPE wishes to congratulate the following scholarship recipients for 2003.
