UPE NewsBrief – **Scholarship Awards** – October 2014

2014 Scholarship Awards - Each year the Executive Council of Upsilon Pi Epsilon evaluates a large number of scholarship applications from students at both the undergraduate and graduate levels. All scholarship applicants are required to complete a comprehensive application form including a statement on their long-term plans for the profession, a summary of their contributions to their respective UPE chapters and related student activities at their college or university. Applicants are also required to submit all college-level transcripts and a recommendation from the UPE faculty adviser. Council is pleased to present our list of Scholarship Awards for 2014.

UPE Named Scholarship Awards – These awards are named in honor of two UPE pioneers.
